Srinivasan (Indian Institute of Management Bangalore)- *plan to present to the Ministry of Environment, Forest and Climate Change (MoEFCC)*

Teaching and Academic Engagement

- Mentored IIMB's EPGP 2026 cohort student group for their master's project on ‘Designing Sustainability Stack DPI for India’ and recorded a podcast for CDPG knowledge repository and co-authored a practice-paper published by Forbes India.
- Invited as an adjunct faculty at Indian Institute of Forest Management (IIFM), Bhopal, to teach in ‘Carbon Nexus: Uniting Ecosystems for Climate Resilience (CNUECR)’ course for PGDFM students on how technological innovations shape carbon market operations.(July 2026- Oct 2026)

- Appointed as a member of the Board of Studies for BBA (2024–2028) at Rajarambapu Institute of Technology (RIT), Sakharale, Maharashtra (India), shaping BBA curriculum.

Work in Progress

- Leading this project on developing protocol-enabled open network for carbon markets at IIMB CDPG as Ecosystem convener and Project Lead
- Lead-authored paper, Design of a country-level Digital Public Infrastructure (DPI) with Digitally Enabled Asset Identity (DeAI) framework ' has received constructive feedback from Communications of the Association for Information Systems (ABDC-A). Extending this framework with the paper defining the ontological foundations of the DPI ecosystem targeting the Journal for Association for Information Systems (ABDC-A).
- Research on content analysis of global DPGs and DPIs registries will strengthen the ontological foundation research for DPIs
- Writing a Case study on 'Designing for Co-Creation: Strategic Choices in the IUDX's journey towards Digital Public Infrastructure'

Accomplishments

- Invited as delegate at Global DPI Summit 2025 in South Africa- Cape Town by UNDP (Nov 2025)
United Nations Development Programme (UNDP) has invited to conduct a co-creation workshop and deliver address on 'Assessing Countries for Digital Public Infrastructure Implementation Readiness)
- Research Poster Presentation at Indian Institute of Science (July 2024)
Selected to Present the Policy Research on 'Implementation Challenges of Rooftop Solar Energy Scheme in India" at Centre for Sustainability and Technologies of Indian Institute of Sciences (IISc)
- Design Patent Grant for 'Machine for Spiral dough Caster' (Dec 2023)
Received Patent Grant for the design Patent for 'Machine for Spiral Dough Caster'
- Queen Mary University of London Research Bursary Award (Dec 2022)
Recipient of the Prestigious UK Russell Group Research Bursary Award for the research assistantship for the project 'Measuring Climate Policy Uncertainty Index.'
